"It's time to go Tom!" Mum called as she rubbed her large, round belly. He didn't want to leave this house but Mum and Dad said they needed a bigger home before the little one arrived.

When they got to the new house Tom jumped out of the car, he was excited to see inside his new home.

First Dad showed Tom his new bedroom, it was big and painted green, his favourite colour!

"You will love this house Tom" said Dad. "Come and see what is outside".

Tom followed his Dad and looked out the window.

"WOW!" yelled Tom when he saw what was in the back garden. "I can't wait to go swimming!"
